

**Due Date: February 6, 2009**

### Surface Transportation Program (STP) APPLICATION

**From:** Dan Moore \_\_\_\_\_ (Project Contact)  
RVMPO \_\_\_\_\_ (Jurisdiction)  
P.O. Box 3275 \_\_\_\_\_ (Street Address)  
Central Point, OR 97502 \_\_\_\_\_ (City/ZIP Code)  
541-423-1361 \_\_\_\_\_ (Phone Number)

The jurisdiction above intends to submit an application for STP grant funding as describe below.

**Project Title:** RVMPO Travel Demand Model Household Survey

**Amount to be requested:** \$130,019

**Project Description:**

ODOT is coordinating the process for collecting household survey data for all of the MPOs in Oregon. Our area will have 900 households surveyed. The average cost per survey is \$161, for a total of \$144,900. The MPO proposes to use dues as matching funds (\$14,881 = 10.27%) We are tentatively scheduled for data collection Spring 2010 or Fall 2010, which falls into two different fiscal years. Since we started a biennium, the MPO will need to reimburse ODOT by the end of the biennium - June 30, 2011.

**Do you anticipate hiring a consultant for this project?**

Yes                       No

**Is the project/program included in the RTP and adopted TSP (excluding preservation projects)?**

Yes                       No

**Is the project/program eligible for STP funding, based on federal guidelines?**

Yes                       No

**Will the project be capable of being implemented during the current TIP cycle?**

Yes                       No

**Joint Applications** (List other participant): \_\_\_\_\_
